## **CLEARINGHOUSE RULE 96-010**

### **Comments**

**[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Revisor of Statutes Bureau and the Legislative Council Staff, dated October 1994.]**

#### **2. Form, Style and Placement in Administrative Code**

a. The title to s. Ins 18.13 (5) is not in proper format. A subsection title is written in solid capital letters. [See s. 1.05 (2) (c), Manual.]

b. The paragraph numbering is not in proper format. A paragraph should be indicated by “(a)” and “(b)”.

#### **4. Adequacy of References to Related Statutes, Rules and Forms**

A reference is made in the analysis to the “statutes interpreted” as s. 601.01, Stats. The correct reference appears to be “s. 619.17 (4) (a), Stats.”

#### **5. Clarity, Grammar, Punctuation and Use of Plain Language**

It is not clear how the deductible amount will be determined if a person uses some network providers and some nonnetwork providers. Will the usual deductible be increased by a percentage (e.g., 50%) of nonnetwork provider costs? In the alternative, is it possible that the deductible amount will remain the same and that only a percentage of nonnetwork provider costs will count toward it? Will the contract with the network of providers specify this?
